Dear Parents/Guardians,

On behalf of the entire **11X481** staff, I am writing to thank you for your engagement in planning the reopening of our school for the 2020-2021 academic year. We especially appreciate all those that were able to join our Virtual Family Town Hall(s) on August 10, 2020 and August 17, 2020 as these conversations provided us with important information and feedback we needed to make a reopening model selection that was right for our community.

I would like to inform you that our school has selected **Model 2**. As you can see from the graphic below, **Model 2** allows us to safely reopen the school building with **three cohorts** of in-person learning, plus a group of students whose family opted for full-time remote instruction. Each in-person cohort will have one/two days of in-person instruction per week.

Week	Mon.	Tues.	Wed.	Thurs.	Fri.
	Group D (Remote)				
1	Group A	Group A	Group B	Group C	Group C
2	Group B	Group A	Group B	Group C	Group B
3	Group C	Group A	Group B	Group C	Group A

Model 2

In the coming days, you will receive additional communication assigning your child to their in-person learning cohort so that you can be aware of exactly which days your child will be coming into the school building. If you have any questions or concerns regarding your child's cohort assignment, you can feel free to contact us at 718-239-5660 or email our parent coordinator **Ms. Amos at Hamos@schools.nyc.gov or contact 903-884-5671**

Further information about the city's reopening plans can be found by visiting the Department of Education website <https://www.schools.nyc.gov/school-year-20-21/return-to-school-2020>

or by dialing 311.

Sincerely,

Katria Rojas

Principal
